Subject: Wal-Mart

I am very much opposed to the Bank of Wal-Mart. I hope that you will take into account Wal-Mart's business practices. In the past Wal-Mart has been shown to drive out local businesses like grocery stores, drug stores and hardware stores. I think that this would be a dangerous concentration of power since Wal-Mart is the largest corporation in the world. In the past they have bended and broke the law for their bottom line. I do not think that they are trustworthy.

Sincerely,
